

### Silicon Valley “Build Your Future” Online Community Hub

NOVAworks provides customer-focused workforce development services. We work closely with local businesses, educators, and job seekers to ensure that our programs provide opportunities that build the knowledge, skills, and attitudes necessary to address the workforce needs of Silicon Valley.

#### About “Build Your Future”

This community hub was created in collaboration between NOVAworks and Roadtrip Nation, a career exploration nonprofit whose mission is to empower people to define their own roads in life. Through Roadtrip Nation’s award-winning public television show, bestselling book, and online tools and resources, storytelling is used to showcase inspiring career journeys around workforce development opportunities within Silicon Valley.

The new launch of the “Build Your Future” community hub will help aspiring workers in Silicon Valley to understand current and future career opportunities. The combination of high-quality videos, targeted resources, and a platform for leaders and jobseekers to share their own stories bring career opportunities to life.
